THE DIRECTORS

Coach Rob King

Coach King is in his 11th year as the Head Coach of the KSU Soccer Team. The KSU Soccer Team is one of the strongest programs in the Atlantic Sun Conference. In 2011, three of the Owls were named to the A-Sun All Conference Teams. The Owls have won the A-Sun regular season Championship three times and been a NCAA Tournament participant twice.

Over the previous nine seasons, Coach King lead the Owls to be the dominant force in the Atlantic Sun Conference and the Peach Belt Conference. The Owls won the NCAA II National Championship in 2003. Coach King was awarded the NSCAA/adidas Southeast Region Coach of the Year and NSCAA/adidas National Coach of the Year in 2003.

Coach Frank Pitt

Frank is in his 10th year with the KSU Women's Soccer Team. He was promoted to Associate Head Coach in 2008. He also serves as the Co-Camp Director of the KSU Soccer Camps. He holds a USSF "A" License and is currently the Head Coach for the Georgia ODP '95 Girls age group.

He has coached at the youth, high school, and semi-pro levels. A former player at the University of Alabama at Birmingham, Frank has extensive playing and coaching experience. Frank has a philosophy that the game should be fun and that practices should be developed with that in mind.

CAMP STAFF

The Camp Staff is led by KSU Assistant Coach, **Rebecca Nolin**. Nolin is a former Owl and was a member of the 2010 Atlanta Beat of the WPS. The rest of the staff consist of current and former college players as well as professional coaches who work and play around the USA. There are many current KSU players who work as counselors during the camp. Everyone shares the same enthusiasm about the sport of soccer and makes sure that each camper has a great experience. A certified athletic trainer will be working the camp as well.

KSU SOCCER CAMP

The KSU Soccer Camp is designed for boys and girls ages 7-15 to have fun through soccer related training sessions, small-sided games, and age-appropriate full sided games. The camp is held on the campus of Kennesaw State University. Campers will play on both grass and synthetic surfaces.

The campers are put into many situations that help to improve their understanding of the game. Also, their technical skills (i.e.-passing, dribbling, etc.) improve as well. Towards the end of each day, campers compete in full size games relative to their respective ages. **The cost of this camp is \$179.**
