Mediation Training for African Judges and Attorneys

August 11-15, 2014

Atlanta, Georgia, USA

In this 40-hour ADR/Mediation training, Kennesaw State University faculty and conflict resolution professionals recognized nationally and internationally will provide African judges and attorneys with a comprehensive, practical, interactive training in alternative dispute resolution, sharpen their skills in mediation, and promote the development of a strong disposition toward non-adversarial conflict resolution. Participants will leave ready to become professional mediators and to advocate for the institutionalization of alternative dispute resolution (ADR) in their countries.
